

## Health

### Healthy Lunch Box Policy

#### Policy statement

Wroughton Preschool aims to adhere to the national standards set by the Government. As stated below our suggestions for a healthy lunchbox are guidelines not rules. At pre-school, we will continue to teach and discuss aspects of a healthy lifestyle - of which healthy eating is only one. We do hope you feel able to support our efforts to help our children to make healthy choices.

#### Food and drink in packed lunches

The preschool will provide a place and adequate time for children to eat a packed lunch and ensure that fresh drinking water is readily available at all times.

As fridge space is not available in pre-school, you are advised to send packed lunches in insulated bags with freezer blocks where possible, especially during summer. A good substitute for a freezer block is a frozen drink which will defrost during the morning.

The preschool will encourage parents to consider the guidelines for a healthy packed lunch listed below.

Please can you ensure that your child is able to open all packaging in their lunch boxes and that boxes, bottles etc are all labelled.

**The following information is intended as a guideline, not rules. However, we feel as a preschool that consideration of these guidelines will support the whole of the preschool community in developing healthy eating habits.**

#### Packed lunches should include:

- At least one portion of fruit and one portion of vegetables each day e.g. carrot sticks, cucumber, small apple or orange, banana, dried fruit, mini tomatoes, mango cubes.
- Meat, fish, or vegetarian source of non-dairy protein e.g. chicken, turkey, ham, beef, pork, tuna, lentils, kidney beans, chickpeas, falafel, soya, tofu.
- A starchy food e.g. bread, pasta, rice, crackers, rice cakes, oat cakes, pitta bread, tortilla wraps.
- Dairy food e.g. milk, cheese, eggs, yoghurt
- A drink of either water, fruit juice, milk, yoghurt drink, smoothie. (No fizzy drinks or glass bottles please.)

**Please do not include sweets and chocolate bars in a lunchbox.**

We do not expect sweets to be eaten in preschool except on special occasions. (The amount of sweets would then be limited.)

**Please do not include crisps in a lunchbox every day.** Good alternatives are savoury crackers or breadsticks, cereal bars.

We would hope that cake would be limited. Perhaps consider healthy recipes such as fruit cake and carrot cake.

High fat meat products such as sausage rolls, individual pies, corned meat and sausages should only be included occasionally.

**Children will be encouraged to eat their savoury food first.**

Children should not swap food. Parents expect their child to eat the lunch that they have provided.

Encourage children to regard foods very high in sugar or fat as treats and not staple foods for a lunchbox.

The school will from time to time, send lunchbox ideas home.

**Special diets and allergies**

Be aware of food allergies, often nuts, but not exclusively. The school recognises that some pupils may require special diets that do not allow for the guidelines to be adhered to exactly. Parents will provide the appropriate diet for that child, another reason why children should not swap food items.

**Authorisation & Review**
