

Statement on Wroughton Preschool's

Safeguarding & Child Protection Responsibilities

Dear Parents/Carers

As a provider of childcare registered with OFSTED, we are required by law to follow the Child Protection Procedures agreed with the Local Safeguarding Children Board and OFSTED within our responsibility to 'Safeguard Children'.

We will endeavour to share with you any concerns we may have regarding injury or specific issues of concern at all times. We will keep a record of such incidents and share this with you. We do have a duty to refer to Social Services if we suspect your child is at a risk of abuse.

We will inform you if we make a referral to Social Services, unless to do so would first place your child at increased risk of significant harm. Our first concern will always be the welfare of your child.

We have a copy of the "What to do if you are worried a child is being abused" documents for you to see if you wish.
